The following is the responsibility of the property owner:

- To maintain the **Clear Vision Triangle** - The Clear Vision Triangle is the area determined by measuring thirty-five feet (35') along the face of curb at both front and side streets. Landscaping within the Clear Vision Triangle is to be kept under thirty-six inches (36"), see enclosure.
- Vegetation is to be maintained to a height of eight feet (8') above the sidewalk, six inches (6") behind the sidewalk, and fifteen feet (15') above the street.
- Call two (2) days before your dig - 1-800-424-5555.
- It is the responsibility of the property owner for all damage incurred to city right-of-ways and utilities.

Signature acknowledges understanding and acceptance.
